I do not sell illegal copies, only record company or artist releases. Some smaller labels and many artists produce & copy their limited editions as CD-Rs (R)
Ik verkoop geen illegale kopieën, alleen uitgaven van platenmaatschappijen of artiesten. Sommige kleinere labels en veel artiesten produceren hun kleine oplagen als CD-Rs (R)

European World of Bluegrass

In de eerste tien jaren van het beroemde EWOB festival heeft Pieter Groenveld van Strictly Country Records - samen met zijn vrouw Liz Meyer - jaarlijks een CD geproduceerd met live opnamen. De meeste zijn van deelnemende Europese bands, maar ook van Amerikaanse gasten. Unieke opnamen, nergens anders verschenen!

In the first ten years of the famous EWOB festivals in NL, Pieter Groenveld of Strictly Country Records - together with his wife Liz Meyer - annually produced a CD with live recordings. Most are by participating European bands, plus some by American guests. Unique recordings, which have not been released anywhere else!
