MINIMUM BOD = € 5.00 / US$ 6.00 = MINIMUM BID

I do not sell illegal copies, only record company or artist releases. Some small labels and many artists produce & copy their limited editions as CD-Rs. I will identify such CD's as CD-Rs (with sealed CD's I do not always know).
Ik verkoop geen illegale kopieën, alleen uitgaven van platenmaatschappijen of artiesten. Sommige kleine labels en veel artiesten produceren hun kleine oplagen als CD-Rs. Achter zulke CD's staat CD-R (bij verzegelde CD's is het niet altijd duidelijk).

Regular jewel box, except: (d) = digipac | (sc/fc) = single/folded cardboard sleeve
(t) = thin jewel box ▶ = enhanced CD: digital photos/info/videos
The grading is for CD's and inlays etc., not for jewel boxes, as they can easily be replaced - plastic CD doosjes tellen niet mee voor de aangegeven conditie
